Where do you go after making a dozen films that build to immense, bombastic finales in which the fate of the Earth appears ever more doomed? When each Marvel film features an ever grander climax, in which vast objects plummet to Earth, spelling certain doom for the world, only to then be stopped at the last second, the audience becomes inured to it. The set-up may vary a little from film to film, but the ultimate payoff is often eerily similar. *Ant-Man* found a tongue-in-cheek way around the issue by having (roughly) the same situation play out on literally a micro level. *Guardians of the Galaxy* got around the issue by treating the whole situation with a frivolous and almost indifferent air, which was surprisingly charming. So where do Marvel go next? Well, you could argue that they've gone micro again – but the truth is that they did what so few action extravaganzas do: they made the final act simple, brutal and personal. And it works brilliantly.

Marvel's Captain America: Civil War finds Steve Rogers (Chris Evans, as dashing as ever) leading the newly formed team of Avengers in their continued efforts to safeguard humanity. But after another incident involving the Avengers results in collateral damage, political pressure mounts to install a system of accountability, headed by a governing body to oversee and direct the team. The new status quo fractures the Avengers, resulting in two camps – one led by Steve Rogers and his desire for the Avengers to remain free to defend humanity without government interference, and the other following Tony Stark (Robert Downey Jr. in guilt-ridden and aggrieved mode – which makes for an interesting change), who supports government oversight and accountability.

Despite the fact that the directors, the Russo brothers, have to juggle a huge cast, the film is clear and focused. Steve, Tony and the Winter Soldier (Steve's best friend, Bucky) are always

at the heart of the story. They are inextricably linked/entangled with one another, in some instances in ways they don't even realise. By keeping that focus, and having all the other storylines pivot around them – such as Black Panther's search for revenge; Spider-Man's introduction (which is smart, pithy and very funny); a nefarious villain's scheming; Vision's attempts to wrestle with who he is – the story never loses its way. What's particularly impressive is that the film-makers manage to give just about every character their moment in the spotlight. There are, at the very least, a dozen Super Heroes, and they each serve the story and have a clear reason for the side they've chosen. And that's rather remarkable.

With each new film I worry less and less about how Marvel will manage to introduce a new and unusual comic-book character to their (fairly) grounded cinematic universe. We've had aliens, Norse gods, self-aware A.I., mutated beasts borne out of their host's subconscious, and quite a bit more. Next up: we have a sorcerer with a fancy cape. I, for one, can't wait.

Apa lagi yang dapat Anda lakukan setelah membuat selusin film yang membuat adegan final yang begitu menegangkan dan bombastis dengan kemungkinan hancurnya Bumi yang semakin besar setiap kalinya? Saat setiap film Marvel menampilkan klimaks yang semakin megah, dengan objek yang meluncur cepat ke Bumi, dan menunjukkan kepastian kiamat di dunia, yang kemudian dapat dihindarkan hanya dalam beberapa detik terakhir, maka penonton akan terlalu terbiasa dengan hal-hal itu. Penggambarannya mungkin bervariasi dari film ke film, namun akhirnya, hampir selalu sama. *Ant-Man* mengatasi masalah ini, sesuai judulnya, dengan menampilkan situasi yang (hampir) sama dalam skala mikro. *Guardians of the Galaxy* menemukan jawaban untuk permasalahan ini dengan menampilkan situasi akhir yang terkesan tak serius dan acuh tak acuh, yang secara tak terduga cukup menghibur. Jadi, apa yang selanjutnya dapat dilakukan Marvel? Anda dapat berargumen bahwa mereka memilih tampilan mikro lagi. Tapi sebenarnya, mereka melakukan apa yang jarang dilakukan film aksi megah lainnya. Mereka membuat adegan final yang sederhana, namun brutal dan personal. Dan hasilnya amat brilian.

Marvel's Captain America: Civil War mengisahkan tokoh Steve Rogers (Chris Evans, memesona seperti biasanya) yang memimpin tim Avengers yang baru dibentuk dalam upaya mereka untuk tetap menjaga kemanusiaan. Namun setelah insiden yang melibatkan Avengers kembali mengakibatkan kehancuran kolateral, tekanan politik untuk menerapkan sebuah sistem pertanggungjawaban, yang dipimpin oleh badan pemerintahan yang akan memonitor dan mengarahkan tim tersebut, semakin memuncak. Status quo yang baru ini memecah-belah Avengers, dan menghasilkan dua kubu, salah satunya dipimpin oleh Steve Rogers yang ingin agar Avengers tetap bebas membela kemanusiaan tanpa campur tangan pemerintah. Kubu lainnya dipimpin oleh Tony Stark (Robert Downey Jr.) dengan karakter yang didera rasa bersalah dan kecewa, yang merupakan perubahan yang menarik, yang mendukung pengawasan serta akuntabilitas pemerintah.

Meskipun kedua sutradara yaitu Russo bersaudara harus mengelola banyak pemeran utama, namun film ini tetap jelas dan terfokus. Steve, Tony dan Winter Soldier (sahabat karib Steve, Bucky) selalu menjadi inti dari cerita. Mereka terhubung dan tersambung tanpa bisa dipisahkan

satu dengan yang lainnya, dengan cara yang, dalam beberapa kejadian, tidak mereka sadari. Dengan menjaga fokus yang sedemikian, serta menghadirkan alur cerita lain di sekelilingnya, seperti Black Panther yang ingin membala dendam; perkenalan dengan Spiderman (yang cerdas, ekspresif, dan lucu); rencana jahat dari penjahat; upaya Vision untuk mencari siapa sebenarnya dirinya, maka film ini tak pernah kehilangan fokusnya. Yang mengesankan secara khusus adalah para pembuat filmlnya yang mampu memberi hampir setiap tokohnya kesempatan untuk tampil menonjol. Padahal ada setidaknya selusin Pahlawan Super, dan tiap dari mereka memiliki kisah sendiri serta alasan jelas untuk kubu yang mereka pilih. Dan itu adalah hal yang luar biasa.

Dengan kemunculan tiap film barunya, rasa cemas saya akan bagaimana Marvel akan mampu memperkenalkan tokoh buku komik yang baru dan unik ke dunia film mereka yang biasa-biasa saja, semakin berkurang. Kita telah disuguhi makhluk luar angkasa, dewa-dewa Normandia, Intelejensi Buatan yang sadar diri, makhluk buas hasil mutasi yang lahir dari alam bawah sadar induknya, serta lebih banyak lagi. Yang selanjutnya, kami ingin melihat penyihir dengan jubah yang keren. Saya tak sabar menantikannya.

The wryly comic *Demolition* sees Jean-Marc Vallée (who previously directed *Wild* and *Dallas Buyers Club*) taking a literal approach to dismantling a life in order to understand how it ticks.

Davis (Jake Gyllenhaal) is a successful investment banker who struggles to move on after losing his wife in a tragic car crash. Despite pressure from his father-in-law Phil (Chris Cooper) to pull it together, Davis continues to unravel. What starts as a complaint letter to a vending machine company turns into a series of letters revealing startling personal admissions. Davis' letters catch the attention of customer service rep Karen (Naomi Watts) and, amidst emotional and financial burdens of her own, the two form an unlikely connection. With the help of Karen and her son Chris (Judah Lewis), Davis starts to rebuild, beginning with the demolition of the life he once knew.

Vallée makes good use of Gyllenhaal, who easily slips into being a man on the outside looking in. After dark and/or disturbing roles in *Nightcrawler*, *Donnie Darko*, *The Good Girl* and *Enemy*, Gyllenhaal has covered the gamut of outsiders: whether they be loners, weirdos or something else entirely. Gyllenhaal's Davis plays a lot like a final destination for cult favourite *Donnie Darko*: Davis is disconnected from the real world, but for all intents and purposes he appears to be a part of it. He's as disaffected and frustrated with the world as Donnie, but he's even less capable of verbalising it (outside of the letters he writes to the vending machine company).

As watchable and engaging as Gyllenhaal is, it's Judah Lewis who steals the show here. At 14 years of age, he's preternaturally talented, with an ease in front of the camera that most actors double his age can't muster. His dynamic with Gyllenhaal is funny, odd and strangely believable. The tentative relationship that slowly develops between Davis and Karen may be what the story pivots around, but it's the dynamic between Davis and Chris that ends up being the true beating heart of the film.

Film komedi sinis *Demolition* menampilkan karya Jean-Marc Vallee (yang sebelumnya menyutradarai *Wild* dan *Dallas Buyers Club*) melakukan pendekatan yang gamblang terhadap usaha membongkar sebuah kehidupan untuk memahami cara kerjanya.

Davis (Jake Gyllenhaal) adalah seorang investor bank yang sukses, yang berjuang untuk memulihkan diri setelah kematian istrinya dalam sebuah kecelakaan mobil yang tragis. Saat mendapat tekanan dari Phil (Chris Cooper), ayah mertua yang memaksanya untuk bangkit kembali, Davis malah semakin rapuh. Apa yang diawali dengan surat keluhan terhadap perusahaan otomat pengencer berubah menjadi rangkaian surat yang mengungkap pengakuan pribadi. Surat-surat Davis menyita perhatian petugas layanan pelanggan bernama Karen (Naomi Watts) dan, meski memiliki masalah emosional dan keuangannya sendiri, keduanya menjalin hubungan yang tak biasa. Dengan bantuan Karen dan putranya Chris (Judah Lewis), Davis mulai membangun kembali hidupnya, dimulai dengan merubah kehidupan.

yang pernah dijalani sebelumnya.

Sutradara Jean-Marc memanfaatkan Jake Gyllenhaal yang dengan mudah berubah menjadi seorang pria yang sedang menelaah dirinya sendiri dari luar. Setelah berperan dalam film-film yang suram dan/atau peran yang mencekam dalam film *Nightcrawler*, *Donnie Darko*, *The Good Girl* dan *Enemy*, Jake mampu melakukan penjiwaan menyeluruh dari seseorang yang terasing, baik sebagai seorang penyendiri, orang aneh, atau karakter lain yang berbeda sama sekali. Davis diperankan Jake seperti halnya Donnie Darko, tokoh favorit dalam film kultus, yang tengah menghadapi akhir hidupnya. Davis terputus dari dunia nyata, namun secara fisik, ia tetap menjadi bagian darinya. Ia merasa sangat kecewa dan frustasi dengan dunia, seperti halnya Donnie, namun ia kurang mampu untuk menyatakannya (kecuali dalam surat yang ia tulis ke perusahaan otomat).

Meskipun Jake sangat layak ditonton dan menyita perhatian, namun yang mencuri perhatian penonton adalah Judah Lewis. Pada usia masih 14 tahun, ia memiliki bakat yang jauh melebihi usianya, dengan kemudahan berakting di depan kamera yang belum tentu dimiliki oleh kebanyakan aktor berusia dua kali lipat darinya. Interaksinya dengan Jake terlihat lucu, unik, dan anehnya, sangat meyakinkan. Hubungan tanpa kepastian yang perlahan berkembang antara Davis dan Karen mungkin merupakan inti sari dari cerita ini, namun dinamika antara Davis dan Chris-lah yang akhirnya menjadi bagian paling mengesankan.

Hollywood has always had an ageism problem. To be anything other than a twentysomething actress is to be an actress on her (slow) way out. You might get a few good parts in your thirties, but you'll find that every other role you're offered is that of a mother. When you reach your forties the parts will get really thin on the ground – unless you're a household name. So let's take a moment to marvel at Susan Sarandon, who turns 70 this year, and who in her latest film, *The Meddler*, shows herself to be as capable, funny and (given the nature of the part, surprisingly) charming as ever.

The film follows Marnie Minervini (Susan Sarandon), a recent widow, who moves from New Jersey to Los Angeles to be closer to her daughter Lori (played brilliantly by Rose Byrne, who makes Lori and all her foibles feel lived-in and believable). Armed with an iPhone and a full bank account, Marnie sets out to make friends, find her purpose, and possibly open up to someone new.

In the early going, as we see Marnie from her daughter's point of view, she is exhausting, irksome and very much a busybody. Her habit of "meddling" never abates, but how we feel about it most certainly does. This is a smartly written character piece that examines an older woman at an unusual time in her life.

Lorene Scafaria's film is very much a low-key delight. There's nothing showy about the direction or cinematography; the writing, although funny, is grounded and well observed; and the performances, which could easily be broad and overplayed, are subtle and deftly handled. This is, simply, a good story being told well. It doesn't hurt that the cast

also includes ringers like J.K. Simmons, who plays a retired cop who develops an easy-going rapport with Marnie. It also doesn't hurt that Simmons and Sarandon have more chemistry together than that sparkly vampire and his would-be love in the entire run of the *Twilight* films.

If you're looking for something smart and funny, with a real sense of verisimilitude, then *The Meddler* is just what you need

Hollywood selalu melakukan diskriminasi terhadap usia. Jika kau bukan seorang artis berusia dua puluhan, maka kau hampir sudah tak terpakai lagi. Anda mungkin bisa mendapatkan beberapa peran bagus pada usia tiga puluhan, namun biasanya penawaran peran lainnya adalah sebagai seorang ibu. Saat Anda menginjak usia empat puluhan, kemungkinan untuk mendapatkan peran sangatlah kecil, kecuali jika Anda seorang bintang terkenal. Karena itu, mari luangkan waktu untuk mengagumi Susan Sarandon, yang tahun ini akan berusia 70 tahun, dan yang di film terbarunya, *The Meddler*, menunjukkan bahwa dirinya tetap mampu, lucu, dan (meski diberi peran yang bersifat sedemikian rupa) tetap mempesona seperti biasanya.

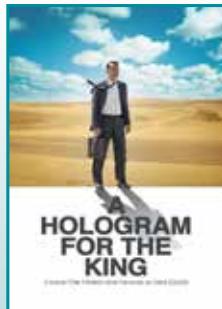

Film ini mengisahkan tentang Marnie Minervini (Susan Sarandon), yang baru saja menjanda, dan pindah dari New Jersey ke Los Angeles agar bisa lebih dekat dengan putrinya Lori (diperankan dengan sangat baik oleh Rose Byrne, yang menjadikan Lori dan semua keunikannya seolah nyata dan dapat dipercaya). Dengan berbekal sebuah iPhone dan akun bank yang penuh, Marnie bersiap untuk mencari teman baru, menemukan

tujuan hidupnya, dan mungkin juga membuka diri pada seseorang.

Pada awal film, kita melihat Marnie dari sudut pandang putrinya yang menganggapnya melelahkan, menyebalkan, dan sangat ingin tahu urusan orang. Kebiasaan untuk 'turut campur' tak pernah berkurang, namun perasaan kita terhadapnya jelas berubah. Naskah film ini merupakan naskah tentang karakter yang menampilkan wanita lanjut usia pada momen yang unik dalam hidupnya, yang dituliskan dengan cerdas.

Film yang disutradarai Lorene Scafaria ini tetap nikmat ditonton meski tanpa hingar-bingar. Tidak ada yang menonjol dari penyutradaraan atau sinematografinya. Naskahnya, meskipun lucu, namun sangat membumbui dan memberikan hasil pengamatan yang baik. Penampilan para aktornya, yang dengan mudah dapat menjadi terlalu luas dan berlebihan, juga halus dan ditangani dengan sangat mahir. Film ini merupakan kisah menarik yang dituturkan dengan sangat baik. Bukan hal yang buruk jika daftar pemerannnya meliputi pemain kawakan seperti J.K. Simmons, yang berperan sebagai pensiunan polisi yang mampu berkomunikasi dengan mudah dengan Marnie. Dan juga bukan hal buruk jika J.K. Simmons dan Susan Sarandon mampu membangun hubungan yang jauh lebih romantis dari pasangan vampir dan calon kekasihnya di seluruh rangkaian film *Twilight*.

Jika Anda mencari tontonan yang cerdas, kocak, dengan rasa yang autentik, maka *The Meddler* adalah film yang sesuai bagi Anda.

A HOLOGRAM FOR THE KING*

DRAMA

*Director: Tom Tykwer Stars: Tom Hanks, Alexander Black
Languages: English, Spanish (Castilian) Subtitles: Chinese
90 min, R*

*Available on selected flights only.
*Tersedia untuk penerbangan tertentu saja.

The "fish out of water" formula is a common theme in movies. A begrimed character, out of their depth, usually results in satisfying comedy, empathy and adventure. These three things are very much in evidence in Tom Hanks' latest caper, as audiences are given numerous opportunities to cheer and jeer at the on-screen, homesick follies.

A Hologram for the King follows a failed American businessman (Hanks) looking to recoup his losses by travelling to Saudi Arabia and selling his big idea to a wealthy monarch. He attempts to adjust to the customs of this foreign country, but ends up overwhelmed by the unusual traditions and begins a journey of self-discovery.

The culture clash on display is rather similar to that in Sofia Coppola's *Lost in Translation*. In fact, the tone, story arc and message are all very familiar. But this is neatly counterbalanced by the thoroughly lovable and charming leading man. Hanks delivers an enduring performance of a man struggling with a midlife crisis. This is hardly the first time we've seen this kind of story, but Hanks brings real nuance to his performance, which lures the audience in.

German director Tom Tykwer penned the script as well as taking directing duties, but he's in a more restrained mode here – his previous work could be astonishingly propulsive and adrenaline-fuelled (such as in the cult classic *Run Lola Run* and the under-seen *Cloud Atlas*). Although an early sequence set to Talking Heads' "Once In A Lifetime" lets his dynamic and exuberant inventiveness peak through.

It helps that the characters have sprung

forth from the pen of Dave Eggers, as it's his acclaimed novel that Tykwer has adapted. There's something about the tone of Eggers' writing that can never be entirely subsumed, even when filtered through someone else's writing. One thing that is less evident is Eggers' pessimism (or some might say "realism") which has been set aside for a more hopeful outlook.

A Hologram for the King is an easy watch, and will offer a fair dose of entertainment as Hanks charms and delights.

Formula 'bagai ikan keluar dari kolamnya' adalah tema yang sering diusung dalam perfilman. Tokoh yang pemarah saat berada dalam situasi yang tak dikuasainya, biasanya menghasilkan komedi, empati, dan petualangan yang memuaskan. Tiga hal ini terbukti dalam perjalanan terbaru Tom Hanks, karena para penonton diberi banyak kesempatan untuk bersorak dan menertawakan tokoh konyol di layar yang sedang rindu kampung halaman.

A Hologram for the King menggambarkan kisah seorang pebisnis Amerika (Tom Hanks) yang telah gagal dan mencari cara untuk mendapatkan kembali apa yang telah hilang darinya dengan pergi ke Arab Saudi dan menjual ide hebatnya pada keluarga kerajaan yang kaya. Ia berusaha menyesuaikan diri dengan budaya di negeri asing ini, namun ternyata ia kewalahan dengan tradisi unik mereka, dan kemudian memulai perjalannya untuk menemukan dirinya sendiri.

Benturan budaya yang ditampilkan serupa dengan film karya Sofia Copolla berjudul *Lost in Translation*. Bahkan, nuansa, jenis alur,

serta pesannya terasa sangat familiar. Namun hal ini dengan baik dapat diseimbangkan dengan kemunculan seorang tokoh utama pria yang sangat memesona dan mudah disukai. Tom memberikan penampilannya yang konsisten sebagai seorang pria yang berjuang mengatasi krisis paruh baya. Ini bukan pertama kalinya kita melihat kisah semacam itu, namun Tom Hanks membawa nuansa yang nyata dalam aktingnya, yang memancing penonton untuk ikut terbawa ke dalamnya.

Sutradara asal Jerman Tom Tykwer menuliskan naskah sekaligus menyutradarai film ini, namun ia lebih membatasi dirinya. Karya-karyanya yang sebelumnya sangat dinamis dan memompa adrenalin (seperti halnya film kultus klasik *Run Lola Run* dan film yang kurang terapresiasi *Cloud Atlas*). Namun demikian, urutan adegan awal yang diiringi lagu dari Talking Heads berjudul 'Once In A Lifetime' dapat sedikit menunjukkan kecenderungannya yang dinamis dan berlebihan.

Bahwa para tokoh merupakan hasil goresan pena Dave Eggers, yang novelnya diadaptasi oleh Tom Tykwer, juga sangat membantu. Ada sesuatu dalam nada tulisan Dave yang tidak dapat diserap begitu saja, bahkan setelah disaring melalui tulisan orang lain. Satu hal yang tak ditonjolkan adalah pesimisme (atau menurut pendapat lain 'realisme') Dave, yang telah disingkirkan agar menghasilkan nuansa yang lebih penuh harapan.

A Hologram for the King merupakan tontonan ringan yang cukup menghibur dengan penampilan Tom Hanks yang memesona dan menyenangkan.

JUARA

DRAMA, ROMANCE

Director: Bambang Drias Stars: Ramon Y Tungka, Vicky Shu, Ray Sahetapy

*Languages: Indonesian Subtitles: English
90 min, PG-13*

Juara (aka Champion) is the latest film from director Charles Gozali, after his previous successes *Finding Srimulat*, *Demi Dewi* and *Rasa*. This action-drama, which has more than a hint of *The Karate Kid* about it, was released in April 2016. The key roles are filled out by well-known actors like Bisma Karisma, Ciccio Manassero, Tora Sudiro, Cut Mini, among others.

Juara tells the story of a youngster called Bhishma (played by Bisma Karisma). From a young age he was very interested in martial arts and showed great potential. He clearly had an innate talent for it, and was able to quickly learn and adapt the techniques he was taught. But his mother Sarah (Cut Mini) was very concerned about his new passion and systematically did what she could to keep him from furthering his studies in that area, for reasons unknown. Years later, once Bhishma has grown up, he falls in love with Bella (Dina Anjani), a girl who attends the same campus as him. Unfortunately, a small-time mafia group leader, Attar (Ciccio Manassero), has also set his eyes on Bella. Attar threatens Bhishma and tells him to stay away from Bella, but Bhishma refuses to be bullied. The inevitable fight leaves Bhishma badly hurt.

Bhishma wants to fight back, but he doesn't know how. In his time of need, a mysterious man (Tora Sudiro) walks into his life. With his help he'll have the opportunity to become the martial artist he always could have been – but he'll also learn some truths that have long been kept from him.

Juara's plot follows the traditional, and very enjoyable, "zero-to-hero" arc. That the journey is peppered with action scenes, overflowing emotion, and a touching romance, helps immeasurably. The martial arts sequences are well handled: they're just dramatic enough without feeling like they're unreal or over-exaggerated, which makes it all feel that much more believable. But the film isn't all martial arts and fisticuffs; there's also a fair bit of humour, which lightens the mood and keeps the film from ever becoming too grim. All told, this is a real "Champion" of a movie.

Juara (alias Champion) adalah film terbaru besutan sutradara Charles Gozali, setelah kesuksesan film-film sebelumnya, yaitu *Finding Srimulat*, *Demi Dewi* dan *Rasa*. Film aksi-drama ini, yang terasa sangat serupa dengan *The Karate Kid* dirilis pada bulan April 2016. Para tokoh utamanya diperankan oleh beberapa aktor terkenal, seperti antara lain Bisma Karisma, Ciccio Manassero, Tora Sudiro, dan Cut Mini.

Juara mengisahkan tentang seorang anak muda bernama Bhishma (diperankan oleh Bisma Karisma). Sejak kecil, ia sangat tertarik pada seni bela diri dan menunjukkan potensi yang besar. Ia tampaknya memang memiliki bakat terpendam, dan mampu belajar bela diri dengan cepat serta beradaptasi dengan teknik yang diajarkan padanya. Namun, ibunya Sarah (Cut Mini) sangat khawatir akan minat barunya dan secara sistematis berusaha sekutu tenaga untuk mencegah anaknya mempelajari

lebih jauh tentang bela diri, untuk alasan yang tak diketahui. Bertahun-tahun kemudian, setelah Bhishma beranjak dewasa, ia jatuh cinta pada Bella (Dina Anjani), seorang gadis yang bersekolah di satu kampus dengannya. Namun, seorang pemimpin kelompok mafia kecil bernama Attar (Ciccio Manassero), juga mengincar Bella. Attar mengancam Bhishma dan memperingatkannya untuk menjauhi Bella, namun Bhishma menolak untuk diintimidasi. Perkelahian yang tak dapat dihindari membuat Bhishma terluka parah.

Bhishma ingin melawan, namun ia tak tahu bagaimana caranya. Saat ia memerlukan bantuan, seorang pria misterius (Tora Sudiro) memasuki kehidupannya. Dengan bantuan pria misterius ini, Bhishma punya kesempatan untuk menjadi atlet bela diri seperti yang selalu diinginkannya. Namun, ia juga menemukan kebenaran yang selama ini telah dirahasiakan darinya.

Kisah Juara mengikuti alur tradisional yang sangat mudah dinikmati, yaitu kurva 'dari nol menjadi pahlawan'. Bahwa perjalanan kisah dalam film ini dipenuhi dengan adegan-adegan aksi, limpahan emosi, serta romansa yang menyentuh, juga sangat membantu. Rangkaian bela dirinya ditampilkan dengan baik, dengan cukup dramatis tanpa terasa berlebihan atau kurang realistik, sehingga semuanya terasa lebih nyata. Namun, film ini bukan sekadar berisikan seni bela diri dan duel tangan kosong, karena terdapat pula humor yang meringankan suasana dan mencegah film ini agar tak menjadi terlalu suram. Intinya, ini adalah film yang 'Juara'.

60 min

DRAMA

In a cupboard, in the rear of a diner somewhere in Maine, is a portal. Step through the portal and you'll stumble into October 21st 1960. Step through it a week from now and it'll be that exact same date. Whether you stay in the past for a minute or a year, only 2 minutes ever pass in the present. So what do you do with such a chance find? If you go back and change the past, it *will* affect the present. But if you step back through again, the changes will be undone – unless you make the same changes.

Jake Epping (James Franco) is offered just such a chance to make real and provable change to his world. If he can save JFK then maybe,

just maybe, America makes some different choices, some better choices, than the ones they did in the wake of their tragedy.

The mini-series *11/22/63*, which is based on the Stephen King novel of the same name, has fun playing up the nostalgia inherent in visiting a more innocent past, whilst also undercutting it and showing how things weren't always better in the bygone days of old. It also does a very good job of laying out the practicalities of surviving in the past for a prolonged period. Our hero needs money, and perhaps even a job, as well as a place to call his home. But he'll never truly feel at home; he'll always feel apart. And should he

ever start to really change the past, there's a good chance he won't survive the experience, as it turns out the past doesn't want to be changed. When he pushes against it, it pushes back, and hard. Make a call to your father, years before you ever existed, and the phone line distorts and blares with feedback. That's the past reacting mildly. There are times when it takes a much harder line...

This is a fast-moving and often intelligent show that takes a familiar genre and tweaks it just enough to throw you off guard.

Minor note: try not to worry about how it's all happening – just let yourself get caught up in the ride.

Di dalam sebuah lemari, di bagian belakang sebuah restoran kecil di Maine, terdapat sebuah portal. Jika Anda berjalan melalui portal itu, Anda akan berpindah ke tanggal 21 Oktober 1960. Jika Anda melangkah di portal itu seminggu dari sekarang, maka tanggallnya akan tetap sama. Jika Anda tetap berada di masa lalu selama satu menit atau setahun, maka hanya 2 menit yang terlewatkannya di masa sekarang. Jadi, apa yang akan Anda lakukan dengan peluang semacam itu? Jika Anda kembali dan mengubah masa lalu, maka hal itu akan mengubah masa kini. Namun jika Anda melangkah lagi ke masa lalu, perubahan itu akan dibatalkan, kecuali jika Anda melakukan perubahan yang sama.

Jake Epping (James Franco) ditawari kesempatan untuk membuat perubahan nyata di dunia. Jika ia dapat menyelamatkan

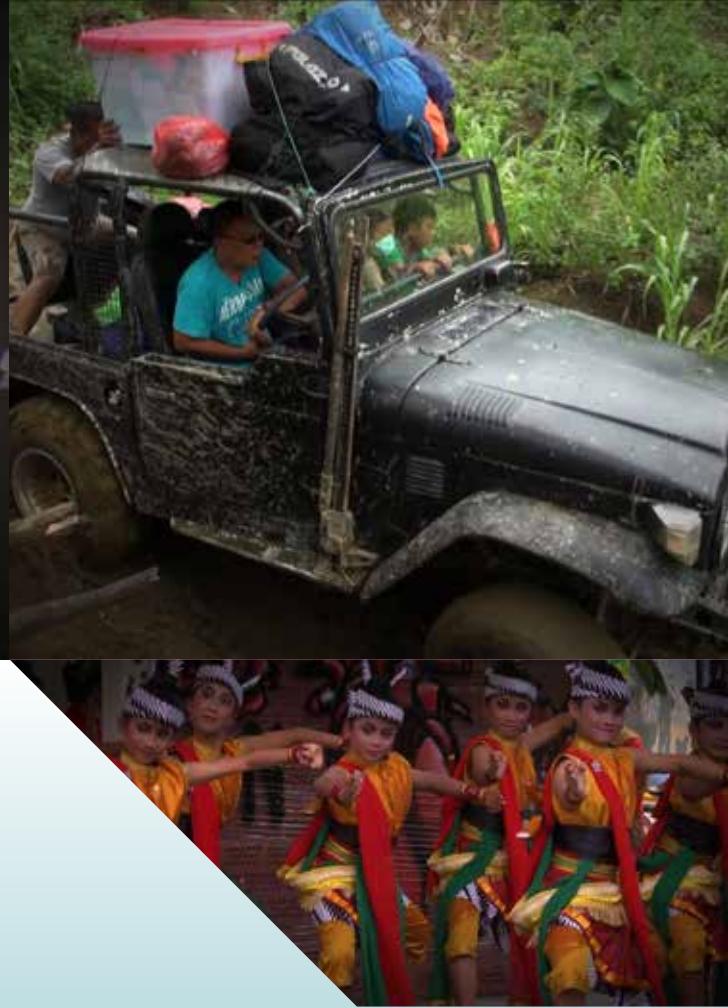

JFK pada masa itu, mungkin Amerika akan membuat pilihan-pilihan yang berbeda, yang lebih baik daripada yang mereka lakukan setelah terjadinya tragedi itu.

Fim seri *11/22/63*, yang dibuat berdasarkan novel Stephen King dengan judul yang sama, membangkitkan nostalgia dengan mengunjungi masa lalu yang tampak lebih naif, sembari meruntuhkannya dengan menunjukkan bahwa tidak semua hal lebih baik di masa lalu. Film ini juga dengan sangat baik menunjukkan cara bertahan di masa lalu untuk jangka waktu yang lama. Pahlawan kita memerlukan uang, mungkin juga pekerjaan, dan rumah sebagai tempat tinggalnya. Namun, ia tak akan pernah merasa betah. Ia akan selalu merasa terbelah. Dan jika ia mulai benar-benar mengubah masa lalu, kemungkinan besar ia tak akan selamat dalam

menjalannya, karena ternyata masa lalu tidak ingin diubah. Saat ia mencoba melawan, maka masa lalu akan melawan dengan lebih kuat. Jika ia mencoba menelepon ayahnya, bertahun-tahun sebelum dirinya lahir, maka jalur teleponnya akan terdistorsi dan berisik oleh suara gaung. Itu hanya reaksi yang ringan dari masa lalu. Dalam beberapa kesempatan, masa lalu memberikan perlawan yang lebih mengerikan.

Ini adalah serial yang bergerak cepat dan sering kali ditampilkan cerdas dengan mengambil genre yang familiar dan mengubahnya sehingga dapat mengejutkan Anda.

Sekedar catatan: jangan terlalu khawatir dengan segala yang terjadi, nikmati saja tontonan ini.

EAGLE DOCUMENTARY

DOCUMENTARY

Languages: Indonesian 30 min

Eagle Documentary offers a unique perspective on society at large. The documentary series provides a platform for young people to be more critical about existing problems and be more creative about their solutions – especially since many similar issues are cropping up elsewhere in today's society. Since each individual has their own distinct viewpoint, the documentary believes that if enough information is gathered, and sufficient communication occurs, we can look at Indonesia's problems from a new and more informed perspective, and ought to then be able to resolve them more effectively.

Common topics that are dealt with include: environment and ecosystem issues, the balance between traditional beliefs and modern values, cultural and religious practices, societal prejudice and status inequality issues, nature preservation, food and music, political opinions and voices, engineering and invention. In short, the documentary covers a multitude of topics. The programme's ultimate goal is to invite, inspire and encourage young people to think about and analyse various issues in Indonesia.

The two episodes we have onboard today follow:

- 1) Dr. Asmayanti Asrum, a general practitioner who travels to areas with limited access to health-care professionals.
- 2) An 18-year-old dancer, who was born and raised in a family of dancers, who is now taking what he's learned and is passing it on to a new generation.

This documentary series has brought together a wide range of documentary film-makers, and has now established a forum where they can begin to tackle some of the problems we're facing today.

Eagle Documentary menawarkan perspektif Eunik tentang masyarakat secara luas. Serial dokumenter ini memberi platform bagi generasi muda untuk menjadi lebih kritis akan masalah-masalah yang ada dan lebih kreatif memberikan solusinya, khususnya karena banyak isu serupa yang bermunculan di tempat lain di masyarakat saat ini. Karena tiap individu memiliki sudut pandangnya sendiri, film dokumenter ini percaya bahwa jika kita mampu mengumpulkan cukup informasi, dan melakukan komunikasi dengan baik, kita dapat melihat masalah-masalah yang dihadapi Indonesia dari perspektif baru dan lebih terinformasi, yang nantinya diharapkan akan mampu memecahkan masalah dengan lebih efisien.

Beberapa topik umum yang dibahas antara lain adalah: isu lingkungan hidup dan ekosistem, keseimbangan antara kepercayaan tradisional dan nilai-nilai modern, praktik-praktik kebudayaan dan keagamaan, isu prasangka di masyarakat serta ketimpangan status, pelestarian alam, makanan dan musik, opini politik, serta teknik dan inovasi. Singkatnya, film dokumenter ini meliputi berbagai topik. Tujuan utama dari program ini adalah untuk mengundang, menginspirasi, serta mendorong anak muda untuk berpikir dan menganalisa berbagai isu di Indonesia.

Dua episode yang dapat Anda nikmati saat ini, adalah tentang:

- 1) Dr. Asmayanti Asrum, seorang dokter umum yang bepergian ke wilayah-wilayah dengan akses pelayanan kesehatan profesional yang terbatas.
- 2) Seorang penari berusia 18 tahun, yang lahir dan dibesarkan di keluarga penari, kini sedang memanfaatkan apa yang telah dipelajarinya dan mewariskannya ke generasi penari yang baru.

Film seri dokumenter ini telah mempersatukan berbagai tipe pembuat film dan kini membentuk forum tempat mereka dapat mulai mengatasi beberapa masalah yang kita hadapi saat ini.

WEEZER – WEEZER (WHITE ALBUM)

Formed in Los Angeles back in 1992, Weezer are a band that are more familiar to the musically ambivalent than they realise. A straw poll in my office to name a Weezer track led to the expected: Buddy Holly, Island in the Sun and Say It Ain't So, and then we had to scratch our collective heads. However, the joy of this job means that as part of my day-to-day I can spend my time listening

to the back catalogue of numerous artists. When delving into past Weezer releases I very quickly discovered that I was more aware of their content than I realised. Not really a surprise as they have sold over 17 million albums worldwide, but even more astonishing when they have a work rate of only 10 releases over 24 years.

The band has a history of being inventive and

“... it is easy to see how Weezer manage to attract a new fan base on each release.”

experimental, yet they're very much a guitar-led rock band. With an almost unchanged line-up since they first formed, they manage to maintain an impressive consistency, which is perfectly highlighted in their latest eponymously titled album – which is also known as The White Album (most probably as a cheeky nod to the Beatles album of the same name).

What we have here is a tighter and slicker album than the band's last few releases. Produced by confessed Weezer admirer Jake Sinclair, the album nicely expresses Rivers Cuomo's eccentricities and his ability to craft a great song, harmoniously, with nods to West Coast living, but with a tongue firmly wedged in its cheek. For a band that is not in the fresh flush of youth, there is so much energy packed into the 40 minutes, it is easy to see how Weezer manage to attract a new fan base on each release, and I find I have now fallen into that category.

With an ongoing Asia tour in August 2016, they are certainly worth catching if you get the chance. I can guarantee that the sing-along tracks will not just be the old favourites; The White Album offers more than enough on its own.

Dibentuk pada tahun 1992 di Los Angeles, Weezer adalah band yang secara musikal lebih ambivalen daripada yang mereka sadari. Saat meminta rekan-rekan kantor untuk menyebutkan judul lagu-lagu Weezer, jawaban mereka sudah dapat diduga: *Buddy Holly*, *Island in the Sun*, dan *Say It Ain't So*, lalu kami kehabisan jawaban. Namun, salah satu kenikmatan dari pekerjaan saya ini adalah dalam keseharian, saya dapat menghabiskan waktu mendengarkan koleksi lagu lama dari berbagai artis. Saat mendengarkan lagu-lagu lama Weezer, saya dengan cepat menyadari bahwa saya mengenal lagu-lagu mereka lebih dari yang saya sadari. Ini bukan hal mengejutkan karena mereka telah menjual lebih dari 17 juta album ke seluruh dunia, dan yang lebih mencengangkan, mereka hanya menelurkan 10 album dalam waktu 24 tahun.

Band ini memiliki sejarah sebagai band yang inventif dan eksperimental, namun lebih merupakan band yang menonjolkan permainan gitar. Dengan anggota yang tidak berubah sejak pertama dibentuk, mereka mampu mempertahankan konsistensi secara mengagumkan. Ini terlihat jelas dalam album terbaru mereka yang berjudul sama seperti nama band mereka, yang dikenal juga sebagai

The White Album (kemungkinan besar sengaja mengacu ke album The Beatles dengan judul yang sama).

Yang kita dapati adalah sebuah album yang lebih padat dan mulus dibandingkan dengan beberapa album terakhir mereka. Dengan diproduksi oleh Jake Sinclair, yang mengaku sebagai pengagum Weezer, album ini mengekspresikan dengan baik keunikan Rivers Cuomo dan kemampuannya untuk menciptakan lagu-lagu hebat, serta pada saat yang sama juga menampilkan kehidupan di Pesisir Barat dengan nada humoris. Untuk sebuah band yang sudah tidak muda lagi, album ini seperti merangkum begitu banyak energi mereka dalam waktu 40 menit. Tidak heran jika Weezer tetap mampu menarik para penggemar baru setiap kali mereka meluncurkan album, dan tampaknya saya juga termasuk ke dalamnya.

Jika Anda memiliki kesempatan, coba saja menonton mereka dalam konser tur Asia pada bulan Agustus 2016. Saya jamin, lagu yang bisa Anda nyanyikan bersama mereka bukan saja lagu-lagu lama, karena *The White Album* menawarkan lebih daripada itu.
